

List of GT Morstroy design work approved by Glavgosexpertiza of Russia

1997–2016

**List of GT Morstroy design work approved
by Glavgosexpertiza of Russia**

as of 14.11.2016

No.	Name of work	Client	Object location	No. of approval, date	Role	Status of construction
2000						
1	Quay No. 29 Reconstruction Project at Trade Seaport of Odessa	Trade Seaport of Odessa	Odessa	Ukrinvestexpertiza, No. 103 dated 28.12.2000	Berthing facilities subcontractor	The object constructed in 2004
2002						
2	Detail design for construction of cargo - passenger ferry terminal in Baltysk, Kaliningrad region. 1 st construction stage. Quay No. 1. 1 st Stage	LLC "NPF "GT Inspekt"	Kaliningrad region, Baltysk	Glavgosexpertiza of Kaliningrad region No. 02/325 dated 22.11.2002	Marine facilities subcontractor	The object constructed in 2002
3	Feasibility study for construction of multi-purpose cargo-passenger automobile railway ferry line "Ust-Luga-Baltysk (Vostochny peninsula)—Germany ports"	MPA "Vyborg Vysotsk", MPA "Kaliningrad"	Leningrad region, Ust-Luga; Kaliningrad region, Baltysk	No. 24-4-5/17-161 dated 27.12.2002	General designer	The object constructed in 2006
2003						
4	Construction project of cargo-passenger ferry terminal in Baltysk, Kaliningrad region (1 st start-up complex)	LLC "NPF "GT Inspekt"	Kaliningrad region, Baltysk	Glavgosexpertiza of Kaliningrad region No. 03/84 dated 18.03.2003	Marine facilities subcontractor	The object constructed in 2003
5	Detail design of "The offshore oil reloading complex at the south side of Mishukov cape"	JSC "Murmansk Shipping Company"	Kola bay, to the south of Mishukov cape, outlet of Lavna river	Departmental expertise of Murmansk region No. 110 dated 22.04.2003	General designer	The object constructed in 2003

2004						
6	Construction project of road and railroad complex at Trade Sea Port of Ust-Luga	JSC "Baltysky parom"	Leningrad region, Kingiseppsky district, Luzhskaya bay of Gulf of Finland	No. 201-04/ GGE-1612/04 dated 26.03.2004	General designer	Constructed: 1 Phase in 2006; 2 and 3 Phase 2010
7	Construction project of train-ferry complex in the Basin No. 4	FGUP "Rosmorport"	Kaliningrad region, Baltysk	No. 214-04/ GGE-1616/04 dated 30.03.2004	General designer	1 st Phase constructed in 2006
8	Detail design of "Offshore oil reloading complex in the Belokamenka village area"	CJSC "Dalnevostochnaya morskaya kompania"	Kola Bay basin	Departmental expertise of Murmansk region No. 216 dated 10.06.2004	General designer	Object constructed in 2004
9	Detail design of «Preparatory stage objects (dredging, land reclamation) of the 2 nd part of Yuzhny area within Ust-Luga Trade seaport»	OJSC "Kompania Ust-Luga"	Leningrad region., Kingiseppsky district, Luzhskaya bay of Gulf of Finland	No. 210-05/ FGGE dated 29.12.2004	General designer	Object constructed in 2006
2005						
10	TEO for construction of Marine passenger terminal at Vasilievsky island	LLC "Morskoy fasad Sankt-Peterburga"	St-Petersburg	No. 206-05/ GGE-2396/04 dated 30.03.2005	General designer	1 st Phase constructed in 2008; 2 nd Phase constructed in 2011
11	TEO (project) "Complex transport and production base", LLC "Lukoil-Nizhnevolzhskneft"	LLC "Lukoil-Nizhnevolzhsk – neft"	Astrakhanskaya region, Ikryaninsky district, Ilynka	Glavgosexpertiza of Astrakhanskaya region No. 210-01/2005 dated 29.07.2005	Berthing facilities subcontractor	Object constructed in 2007
12	Construction of reloading complex based on 29-1 quay of Trade seaport of Odessa	Trade sea port of Odessa	Odessa	Ukrinvestexpertiza, No. 190 dated 13.12.2005	Berthing facilities subcontractor	Object constructed in 2008

2006						
13	Detail design for breakwaters reconstruction in the Kaliningrad sea channel	FSUE "Rosmorport"	Kaliningrad region	Glavgoexpertiza of Kaliningrad region No. 06/09 Dated 22.03.2006 г.	General Designer	The object constructed in 2009
14	Project adjustment, «Road and railroad complex at Ust-Luga Trade Seaport. Ferries»	FSUE "Rosmorport"	Leningrad region, Kingiseppsky district, Luzhskaya bay of Gulf of Finland	No. 203-06/ GGE-1612/04 dated 29.03.2006	General Designer	1 Phase constructed in 2006; 2 and 3 Phase — 2010
15	Project adjustment for construction of railroad ferry complex in No.4 Basin	FSUE "Rosmorport"	Kaliningrad region, Baltysk	No. 204-06/ GGE-1616/04 dated 29.03.2006	General Designer	1 Phase constructed in 2006; Full development — 2009
2007						
16	Construction project for reloading terminal of OJSC "Mining and smelting company "Norilsky nikel"	OJSC "GMK "Norilsky nikel"	Murmansk, Leninsky administrative district	Internal expertise of Murmansk region No. 51 dated 26.02.2007	General Designer	1, 2, 8 Phases constructed in 2011, 4, 5, 9 Phases constructed in 2014
17	Project "Reconstruction and construction of Peterburgsky oil terminal"	CJSC "Neftekhimproject"	St-Petersburg, Coal port, Elevator site, building 32.	Glavgoexpertiza, North-West district branch No. 094-07/ FGGE SZFO-58 dated 05.06.2007	Marine facilities sub-contractor	Object constructed in 2007

18	Project "Ust-Luga Trade Seaport. Yuzhny area. Multipurpose reloading complex"	OJSC "Compania Ust-Luga"	Leningrad region, Kingiseppsky districts, Luzhskaya bay of Gulf of Finland	No. 498-07/ GGE-4385/04 dated 06.07.2007	General Designer	1 Phase constructed in 2008
19	Detail design «Reconstruction of approach navigational channel from cargo and handling area "Economia" to the Arkhangelsk terminal quay of LLC "RN-Arkhangelsk-Nefteprodukt"	LLC "RN-Arkhangelsk-Nefteprodukt"	Arkhangelsk, Northern Dvina river, Kuznechikha channel	No. 040cc-07/SPE-68 dated 22.08.2007	General Designer	The object constructed in 2009
20	Project "Russian offshore oil-loading complex "Vistino"	LLC "Severozapadny Alyans"	Leningradskaya region, Kingiseppsky districts, Luzhskaya bay of Gulf of Finland, Vistino	No. 780-07/GGE-5114/02 dated 29.10.2007	General Designer	According to Client's plans
2008						
21	Fixed security inspection complex for large-size cargo at 3-d area of St-Petersburg seaport	CJSC "Tekhno-S.Peterburg"	SPB, road to Turukhtannye islands, 3d area of SPB Seaport	No. 061Д-08/ SPE-0112/02 dated 11.06.2008	Infrastructure subcontractor	The object constructed in 2008
22	Project "Design and construction of a football stadium in the western part of Krestovsky island, SPb". Construction quay	LLC "Avant"	St-Petersburg, Krestovsky island, Yuzhnaya road, 25	No. 469-08/ GGE-5251/05 dated 11.07.2008	Construction quay subcontractor	The object constructed in 2008
23	Construction project of reloading complex for rolling and general cargo at Olya port	FSUE "Rosmorport"	Astrakhanskaya region., Limansky district, Olya village, Bakhtemir	No. 549-08/ GGE-5314/04 dated 22.08.2008	General Designer	The object constructed in 2010
24	Detail design «Basin formation of south area of Ust-Luga Trade Sea Port»	FSUE "Rosmorport"	Leningradskaya region, Kingiseppsky districts, Luzhskaya bay of Gulf of Finland	No. 166-08/ SPE-0317/2 dated 16.09.2008	General Designer	The object was constructed in 2011
25	Construction project of container terminal at Ust-Luga Trade Sea Port	OJSC "Baltysky kontainerny terminal"	Leningradskaya region, Kingiseppsky districts, Luzhskaya bay of Gulf of Finland	No. 724-08/ GGE-4385/04 dated 07.11.2008	General Designer	1 Phase constructed in 2011

26	Project "Reconstruction of St-Petersburg Sea Channel. Approach channel to multipurpose offshore reloading complex "Bronka"	FSUE "Rosmorport"	Gulf of Finland, Nevskaya bay, South- west part	No. 855-08/ GGE- 5820/07 dated 24.12.2008	General De- signer	1 Phase constructed in 2015 2 Phase under construc- tion since 2013
----	--	----------------------	---	---	-----------------------	---

2009						
27	TEO (Project) "Ust-Luga Trade sea port. Bulk cargo complex"	OJSC "Rosneftbunker", OJSC "Lenmornii project"	Leningrad region, Kingiseppsky area	No. 114-09/ SPE- 0605/02 dated 25.03.2009	Infrastructure subcontractor	Constructed in 2010
28	Construction project of LPG reloading complex at Ust-Luga Trade Sea Port	LLC "Sibur- Portenergo"	Leningrad region, Kingiseppsky area	No. 308/09-GGE- 5780/02 dated 20.05.2009	General De- signer	Constructed in 2013
29	Detail design "Shore protection at Malaya Nevka river"	Committee of Envi- ronmental Man- agement of St-Petersburg Administration	St-Petersburg, Petrogradsky district, Krestovsky island, Primorsky park Popedy	St-Petersburg State Expertise No. 141-2009 dated 18.06.2009	General De- signer	Constructed in 2011
30	Reconstruction of southern approach channel at Ust-Luga Trade Sea Port	FSUE "Rosmorport"	Ust-Luga Trade Sea Port	Glavgosexpertiza SPB Branch No. 308-09/SPE- 0317/02 dated 31.07.2009	General De- signer	Object con- structed in 2009
31	Project documentation "Multifunctional reloading complex "Yug-2" at Ust-Luga Trade Sea Port	OJSC "Compania Ust-Luga"	Leningrad region, Kingiseppsky district	No. 585-09/ GGE- 6330/04 dated 22.09.2009	General De- signer	1 Phase com- pleted in 2008; 2 Phase com- pleted in 2010

2010						
32	Reconstruction of Federal Property objects at St-Petersburg port. Construction of berthing complex for icebreakers anchorage at the St-Petersburg sea port.	FSUE "Rosmorport" St-Petersburg branch	St-Petersburg, 3-rd district of the sea port, BF, road to Turukhtanye islands	No. 058-10/ GGE-6518/04 dated 01.02.2010	General Designer	Object constructed in 2015
33	Basin formation of southern and northern parts of Ust-Luga trade sea port, including operational basin of container terminal in the Leningrad region. Stage 5. Reconstruction of navigational safety system at external offshore approaches to Ust-Luga Trade seaport. 1- st stage.	FSUE "Rosmorport"	Leningrad region, Kingiseppsky district, Luzhskaya bay of Gulf of Finland	No. 178-10/SPE-0317/02 dated 16.04.2010	General Designer	Object constructed in 2010
34	Project documentation "Ust-Luga Trade Seaport. General cargo complex. Preparatory period objects. 1 st stage" and integrated surveys for development of this documentation.	OJSC "Compania Ust-Luga"	Leningrad region, Kingiseppsky district, Luzhskaya bay of Gulf of Finland	No. 207-10/ SPE-0997/02 dated 14.05.2010	General Designer	Object constructed in 2010
35	Project documentation "Multipurpose offshore reloading complex "Bronka"	LLC "Fenix"	St-Petersburg, Lomonosov, E. Efeta street,	No. 493-10/GGE-5820/04 dated 10.06.2010	General Designer	1 Phase completed in 2015
36	Project documentation "Basin formation of southern and northern parts of Ust-Luga trade sea port, including operational basin for container terminal in Leningrad region. Stage 4. Construction of northern approach channel".	FSUE "Rosmorport"	Leningrad region, Kingiseppsky district, Luzhskaya bay of Gulf of Finland	No. 429-10/SPE-0317/02 dated 30.08.2010 r; No. 431-10/SPE-0317/05 dated 30.08.2010	General Designer	Object constructed in 2011
37	Project documentation "Reconstruction of container terminal area and construction of quay No. 88"	CJSC "Pervy containerny terminal"	St-Petersburg, 3-d area of the seaport, road to Turukhtanye islands	No. 993-10/GGE-7022/04 dated 18.10.2010	General Designer	Under construction since 2013

2011						
38	Project documentation "Development of Ust-Luga Trade seaport". Port protecting structure at Yuzhny area basin of Ust-Luga Trade sea port.	FSUE "Rosmorport"	Leningrad region, Kingiseppsky district, southern part of Luzhskaya bay of Gulf of Finland, Ust-Luga Trade seaport, Southern port area	No. 095-11/GGE-7253/04 dated 01.02.2011; No. 119-11/GGE-7253/10 dated 07.02.2011	General Designer	1 Phase completed in 2014 2 Phase under construction since 2012
39	Project documentation "Basin formation of southern and northern areas at Ust-Luga Trade sea port, including operational basin of container terminal in the Leningrad region. Stage 6. Reconstruction (2 nd stage) of navigational safety system at external offshore approaches to Ust-Luga Trade seaport".	FSUE "Rosmorport"	Leningrad region, Kingiseppsky district, southern part of Luzhskaya bay of Gulf of Finland	No. 080-11/SPE-0317/02 dated 05.03.11; No. 083-11/SPE-0317/05 dated 05.03.11	General Designer	Object constructed in 2013
40	Project documentation "Development of Ust-Luga Trade seaport". Service harbour fleet at Ust-Luga Trade sea port.	FSUE "Rosmorport"	Leningrad region, Kingiseppsky district, southern part of Luzhskaya bay of Gulf of Finland	No. 353-11/GGE-7390/04 dated 14.04.11; No. 370-11/GGE-7390/10 dated 15.04.11	General Designer	Berthing facilities constructed in 2013 Onshore facilities under construction since 2011
2012						
41	Project documentation "Construction of a river lines complex "Morskoy fasad"	CJSC "River port "Morskoy fasad"	St-Petersburg , Nevskaya bay of Gulf of Finland	No. 424-12/GGE-7980/04 dated 18.05.2012	General Designer	According to the plans of the Customer

42	Project documentation "Reconstruction of St-Petersburg sea channel" (1 stage)	FSUE "Rosmorport"	St-Petersburg, Nevskaya bay of Gulf of Finland	No. 521-12/GGE-8067/04 dated 15.06.12; No. 543-12/GGE-8067/10 dated 21.06.12	General Designer	1.1 stage — constructed in 2013
43	Project documentation "LPG reloading complex". Adjustment	LLC "Sibur-Portenergo"	Leningrad region, Kingiseppsky area, Ust-Luga Trade sea port	No. 1051-12/ GGE -5780/02 dated 09.11.2012	General Designer	Object constructed in 2013
2013						
44	Project documentation and engineering surveys "Multipurpose offshore reloading complex "Bronka" (introduction of changes)"	LLC "Fenix"	St-Petersburg, Lomonosov, E. Efeta street	No. 326-13/GGE-5820/04 dated 16.04.2013	General Designer	1 Phase completed in 2015 2 Phase under construction since 2013
45	The inspection of the estimated cost of the object "Reconstruction of the territory of the container terminal with the construction of berth No. 88"	CJSC "Pervy containerny terminal"	St-Petersburg, 3-d area of the seaport	No. 371-13/ GGE -7022/10 dated 30.04.2013	General Designer	Under construction since 2013
46	Project documentation and results of engineering surveys "Development of cargo and passenger ro-ro ferry and rail ferry terminal in the city of Baltiysk, Kaliningrad region, including construction and subsequent operation of the container terminal throughput capacity of 300 thousand TEU per year"	LLC "Baltic stevedoring company"	Kaliningrad region, Baltiysk	No. 709-13/ GGE -8677/04 dated 23.08.2013	General Designer	1, 2, 3 Phases constructed in 2014

47	Project documentation and results of engineering surveys "Construction of the sea port facilities in the district of Sabetta settlement on the Yamal Peninsula, including the creation of the navigable approach channel in the Gulf of Ob"	OJSC "Yamal LNG"	Sabetta settlement, the Yamal region, Yamalo-Nenets Autonomous Okrug, Tyumen region	No. 852-13/ GGE -8066/04 dated 25.09.2013 No. 853-13/ GGE -8066/10 dated 25.09.2013	Subcontractor for the objects of the preparatory period	Quay 1, 2, 3, 4 constructed in 2015
48	Project documentation and results of engineering surveys " Installation and assembly site of the marine hydraulic facilities with a specialized waterfront. Krasnye Barrikady shipyard OJSC"	LLC "NPF "GT Inspect"	Astrakhan, Ikrianinsky district, Krasnye Barrikady shipyard	No. 997-13/ GGE -8746/04 dated 25.10.2013	General Designer	Under construction since 2013
2014						
49	Project documentation and results of engineering surveys "Construction of the sea port facilities in the district of Sabetta settlement on the Yamal Peninsula, including the creation of the navigable approach channel in the Gulf of Ob. The amendments and additions to the project documentation"	OJSC "Yamal LNG", OJSC "Lenmorniiiproekt"	Sabetta settlement, the Yamal region, Yamalo-Nenets Autonomous Okrug, Tyumen region	No. 581-14/ GGE -8066/04 dated 30.04.2014 No. 590-14/ GGE 8066/10 dated 5.05.2014	Subcontractor on the main sea port facilities	South East ice barrier constructed in 2016
50	Project documentation "Development of transport hub " Vostochnyi—Nakhodka" (Primorsky Krai). Stage II. Objects of Maritime transport"	FGI "Rostransmodernizatsia"	Russia, Primorsky Krai, Nakhodka urban district in the area of port Vostochnyi, Partizansky district	No. 1107-14/ GGE -9057/04; No. 1108-14/ GGE -9057/10 dated 15.09.2014 r	General design engineer of marine facilities	Under construction since 2014
51	Project documentation and results of engineering surveys "Artificial land No. 2 in the water object: Baltic sea, Gulf of Finland (Nevskaya Guba), water area of The Greater port of St. Petersburg", for placing of objects of major construction work of federal significance for multifunctional sea transshipment complex "Bronka"	LLC "Fenix"	St-Petersburg, Lomonosov, E. Efeta street	No. 1540-14/GGE -9605/04 dated 8.12.2014	General Designer	Constructed in 2014

2015						
52	Project documentation and results of engineering surveys "Construction of the sea port facilities in the district of Sabetta settlement on the Yamal Peninsula, including the creation of the navigable approach channel in the Gulf of Ob. The amendments and additions to the project documentation (2)"	OJSC "Yamal LNG", OJSC "Lenmorniiiproekt"	Sabetta settlement, the Yamal region, Yamalo-Nenets Autonomous Okrug, Tyumen region	No. 1108-15/GGE - 8066/04 dated 18.08.2015; No. 1112-15/GGE - 8066/10 dated 18.08.2015;	Subcontractor objects preparatory period	Under construction since 2015
2016						
53	Project documentation and results of engineering surveys "Reconstruction of the root section of berth No. 9 with the installation and unfastening of berthing float..."	LLC "NPP "Rosmorservice"	Murmansk region	No. 77-1-4-0178-16 dated 18.07.2016	Marine facilities sub-contractor	Commencement of construction — 2017
54	Project documentation and results of engineering surveys "Multipurpose offshore reloading complex "Bronka" (amendments)". Stage 2	LLC "Fenix"	St-Petersburg, Lomonosov, E. Efeta street	No. 1045-16/ GGE-5820/04 dated 21.09.2016	General Designer	Under construction since 2013
